

MERLIN SLIMEDGE MHD RIGID PANELS

Lighter, thinner, and easier to install, our latest generation of rigid solar panels is designed for maximum efficiency and convenience.

Merlin's SlimEdge Rigid Solar Panels offer the same trusted durability and reliability as our existing range while introducing new advancements that enhance usability.

The thinner, lightweight construction and integral mounting features makes handling and installation effortless. Available in 100W, 120W, 150W and 200W variants, these panels provide a high-performance solution for any application, including commercial vehicles, caravans, motorhomes, boats and off-grid systems.

- **Lightweight** for easy handling.
- **Thin profile** for seamless integration.
- **Integral mounting features** for quick and easy fitting.
- **Water resistant** with a robust construction for outdoor use.
- **In built diode** protects against battery discharge.
- **Available in a variety of sizes** from 100W to 200W.

POWER	PANEL SIZE (MM)	PANEL WEIGHT (KG)	PANEL ONLY	ROOF / DECK KIT*
100W	1080 X 620 X 12	3.7	07-1340	07-1341
120W	1230 X 620 X 12	4.2	07-1342	07-1343
150W	1135 X 805 X 12	5.0	07-1344	07-1345
200W	1513 X 805 X 12	6.0	07-1346	07-1347

*KIT INCLUDES: MPPT CONTROLLER, FUSE, GLAND AND SEALANT.
